## *Year End Wrap Up!*

It's a End of Year Wrap-Up!

Yes, we are ending the year with a Special Event  
Join us!! We have an exciting and educational evening planned –  
**An Evening at the Museum**

The Rocky Mountain Chapters of CTAM, NAMIC and WICT are happy to announce our sixth annual year end Cable & Broadband Industry Year End Event which will be held at The Cable Center's Daniels Great Hall on Thursday, December 2, 2010. We would like to invite you and your organization to be a part of this event as a sponsor. Last year's event was a huge success, and we anticipate this year's event will be just as successful in drawing the top industry professionals from operators, cable networks, engineering and new technology providers. Don't miss out on this fabulous opportunity to help celebrate learn of about those events which have made 2010 such a successful year!

The event affords a variety of sponsorship packages detailed on the attached piece. We look forward to further exploring how we can help you leverage your sponsorship with this influential group.

Sincerely,

*Hannah Harris and Patricia Thurston*
